We are strongly committed to this policy and believe in the concept and spirit of the law.

Bray Associates Architects, Inc. is further committed to ensuring that employment decisions are based on valid job requirements. In addition, all employment actions, such as recruiting, hiring, training, promotion, compensation, benefits, transfers, layoffs, and termination are administered fairly to all persons on an equal opportunity basis, without discrimination on the basis of protected categories named above. Bray Associates Architects, Inc. will also provide qualified applicants and employees with disabilities any needed reasonable accommodations, as required by law.

Bray Associates Architects, Inc. will not tolerate employees and applicants to be subjected to harassment, intimidation, threats, coercion, or retaliation because they engaged or may engage in filing a complaint or assisted in a review, investigation or hearing related to any federal, state, or local law requiring equal employment opportunity; or because they opposed any act deemed unlawful.

The President supports this affirmative action program and has appointed Latasha Curtis, Human Resources Generalist/Affirmative Action Plan Coordinator as Bray Associates Architects, Inc.'s EEO Coordinator. The EEO Coordinator's responsibilities include implementing an internal audit and reporting system to monitor and measure the effectiveness of Bray Associates Architects, Inc.'s equal employment opportunity efforts and report to executive management on this and any needs for remedial action.

Bray Associates Architects, Inc. maintains affirmative action plans for minorities, women, individuals with disabilities and protected veterans. Any questions regarding these plans or the company's equal opportunity policy should be directed to the EEO Coordinator who is responsible for the implementation of the plan. All employees are responsible for supporting the concept of equal employment opportunity and affirmative action and assisting and cooperating in meeting our plan goals.

If you wish to view the plans for protected veterans and individuals with disabilities, contact Latasha Curtis during normal business hours and arrangements will be made for the areas of the plan available for inspection under the law.
